Contact the office now to book direct or for details to be sent to you.

Activity and developments

The first full year of the Southampton based Prepare-Enrich office has seen a 10% increase in inventory activity – modest but encouraging, with over 100 new practitioners trained during the year. This figure was boosted significantly by the development by Lucia Hall, counselling trainer at Newbold College, of a level 3 counselling course – Diploma in Brief Couple Therapy, which has Prepare/Enrich inventories as an integral tool. The next course will be in Jan 2007.

Our developing relationship with Colin and Sandra Everard in Wimbledon has led to the setting up of a satellite scoring centre, which is now in full operation.

Other Training in 2006

Initial training for Prepare/Enrich is planned for Bracknell (22 March), Sutton Coldfield (22 April), Southampton (29 April), Inverness (May/June), Plymouth (1 July) and London (Autumn). We can also set up bespoke training for groups of 4 or more. Let us know of interested people– *and we'll make the connections.*

Lee Abbey Marriage MOT weekends

After the most recent session in March 2006 which attracted 20 couples, further events for marrying and married couples are planned for Nov 3-5 2006, and May 11-13, 2007. The format has proved very successful, and we are looking to extend coverage to other venues. *If you know of suitable places and contacts please let us know.*
